

Dear Business Owner,

I am delighted that you have taken an interest in our networking group Weddings of Distinction. Weddings of Distinction was established in 1995 and is made up of a collection of some of San Diego 's finest wedding and special event vendors. As a group, we meet once per month to share business referrals, marketing tips and camaraderie. The longevity of Weddings of Distinction demonstrates the group's success rate as a networking group in the San Diego market. Many members have generated thousands of dollars from these referrals.

Weddings of Distinction also offers an Associate membership that is strictly a web site advertising opportunity with a basic vendor listing. This does not include attendance in monthly meetings or brochure advertising.

As Membership Director of Weddings of Distinction, I am delighted to send you a Membership Application (please see attachment). Completing this application does not guarantee membership to join our group; therefore, there is no obligation for either party. The Weddings of Distinction Board of Directors will review your application and vote whether to accept or reject your application for membership. This review process might also involve inviting you to attend a monthly meeting. This gives you an opportunity to check out our group as well.

Feel free to contact me should you have further questions. Please complete the application and return to me by fax or email (619-593-7376; merrylin@cox.net). The Board will get back to you with a decision quickly.

Thank you again for contacting Weddings of Distinction, your Premiere San Diego Networking Group!
